17	Facebook and/or LinkedIn	<p>The EBP-EAP Exam is an online examination which assesses the basic knowledge needed to underpin paediatric training. The exam has been developed in collaboration with CESMA and UEMS.</p> <p>The Union of European Medical Specialists was founded in 1958 and is the oldest pan-European medical organisation. It has national representation from 40 countries.</p> <p>Within UEMS there are 43 specialist sections, of which one – the section of paediatrics – represents all medical paediatrics from primary care through to specialists.</p> <p>Be part of the continuous learning opportunity. Apply for the next EBP-EAP Exam on the 21st of November.</p> <p>👉 To learn more, visit our website:  <a href="https://www.eapaediatrics.eu/ebp-exams/">https://www.eapaediatrics.eu/ebp-exams/</a></p> <p>#Paediatrics #ChildHealth #PaediatricExam #Paediatrician #eap #europeanboardofpaediatricsexamination #eapexam #pediatrics</p>	 <p>The banner features a female doctor with a stethoscope, smiling. The text reads: 'EBP-EAP EXAM', 'SIGN UP FOR THE EBP-EAP EXAM TODAY', 'Seize the chance to be a part of this invaluable opportunity for continuous learning.', and a 'LEARN MORE' button with a right-pointing arrow.</p>
	Twitter	<p>Tweet 1:  📖👩‍⚕️ The EBP-EAP Exam is an online assessment that evaluates the fundamental knowledge required for paediatric training. Developed in collaboration with CESMA and UEMS, it's designed to support continuous learning in the field.</p> <p>Tweet 2:  🌍💡 Did you know? The Union of European Medical Specialists (UEMS), founded in 1958, is the oldest pan-European medical organisation with national</p>	

		<p>representation from 40 countries. The UEMS has 43 specialist sections, including the section of paediatrics.</p> <p>Tweet 3: 🔍📄 Looking for a comprehensive exam?
